

of learning is, in whole or in substantial part, owned, supported, controlled, or managed by a particular religion or by a particular religious corporation, association, or society, or if the curriculum of such school, college, university, or other educational institution or institution of learning is directed toward the propagation of a particular religion. The primary thrust of this provision is directed at religiously oriented church-related colleges and universities and should be so interpreted.

(6) *Work on or near Indian reservations.* It shall not be a violation of the equal opportunity clause for a construction or nonconstruction contractor to extend a publicly announced preference in employment to Indians living on or near an Indian reservation in connection with employment opportunities on or near an Indian reservation. The use of the word "near" would include all that area where a person seeking employment could reasonably be expected to commute to and from in the course of a work day. Contractors or subcontractors extending such a preference shall not, however, discriminate among Indians on the basis of religion, sex, or tribal affiliation, and the use of such a preference shall not excuse a contractor from complying with the other requirements contained in this chapter.

(b) *Specific contracts and facilities—(1) Specific contracts.* The Deputy Assistant Secretary may exempt an agency or any person from requiring the inclusion of any or all of the equal opportunity clause in any specific contract or subcontract when he deems that special circumstances in the national interest so require. The Deputy Assistant Secretary may also exempt groups or categories of contracts or subcontracts of the same type where he finds it impracticable to act upon each request individually or where group exemptions will contribute to convenience in the administration of the order.

(2) *Facilities not connected with contracts.* The Deputy Assistant Secretary may exempt from the requirements of the equal opportunity clause any of a prime contractor's or subcontractor's facilities which he finds to be in all respects separate and distinct from activities of the prime contractor or sub-

contractor related to the performance of the contract or subcontract, provided that he also finds that such an exemption will not interfere with or impede the effectuation of the order.

(c) *National security.* Any requirement set forth in these regulations in this part shall not apply to any contract or subcontract whenever the head of an agency determines that such contract or subcontract is essential to the national security and that its award without complying with such requirement is necessary to the national security. Upon making such a determination, the head of the agency will notify the Deputy Assistant Secretary in writing within 30 days.

(d) *Withdrawal of exemption.* When any contract or subcontract is of a class exempted under this section, the Deputy Assistant Secretary may withdraw the exemption for a specific contract or subcontract or group of contracts or subcontracts when in his judgment such action is necessary or appropriate to achieve the purposes of the order. Such withdrawal shall not apply to contracts or subcontracts awarded prior to the withdrawal, except that in procurements entered into by formal advertising, or the various forms of restricted formal advertising, such withdrawal shall not apply unless the withdrawal is made more than 10 calendar days before the date set for the opening of the bids.
